

2025 CHAPTER REPORT

Each national chapter is required by IAH Rule 6.5 to provide an annual report on its activities. This helps us to report the Association's activities and is published on the IAH web site. It is also expected that, under the terms of the chapter's constitution or rules, the national committee will make an annual report to members in their country.

6. ADDITIONAL COMMENTS

Please use this section to make any additional comments/suggestions e.g. what support from IAH centrally might assist your chapter, future plans you would like to see for IAH
I think one of the opportunities we have is through cross pollination of technical work via virtual webinars – a webinar in Europe, Asia or Africa most likely would be new to those in US etc. How do we implement cross pollination via virtual connections?
